Approx max dimensions:- 90cm x 128cm x 185cm

Approx weight:- 58kg

Our large replica Lobster statue is a great character, he can be used to draw attention to any shops, pubs or restaurants serving sea-food. One customer regularly dresses his Lobster up in different themes, like tennis gear for Wimbledon fortnight, to attract even more customer interest.

This giant crustacean model comes with a removable black-board to advertise your specials etc and a wheeled metal base for ease of movement.

All our models are high quality, durable, cold cast poly-resin & fibre-glass, not cheaper plastic or single-skin resin copies. The detail & modelling of these sculptures is superb. Well cared for, models supplied by us will give you & your customers pleasure for many years to come.

We recommend that all models & point-of sale items which are going to be used outdoors be given a protective coat of clear lacquer or exterior varnish.
