This white bear can also be painted brown to order to make a fantastic standing Grizzly Bear for North American themes. We also have a small Baby Polar Bear with Ice-cream (JR 2500).

All our models are high quality, durable, cold cast poly-resin & fibre-glass, not cheaper plastic or single-skin resin copies. The detail & modelling of these sculptures is superb. Well cared for, models supplied by us will give you & your customers pleasure for many years to come.

We recommend that all models & point-of-sale items which are going to be used outdoors be given a protective coat of clear lacquer or exterior varnish.
